Help wanted

PARENTS, guardians, and grandparents - each Aldo family has committed to putting in at least 2 hours a month of volunteer work for the school. Some of you serve on committees, some help with special events, and others with odd jobs. Unsure how **you** can help out? As luck would have it, Lunch Bunch needs volunteers to serve lunch to our students (your kids)! Should you choose to give a bit of your precious time, you would usually be working some of the time from **10:30-1:30** Monday-Thursday. Thank you in advance; its greatly appreciated! :)

Area Students of The Month. Aldo students in the front row to the far right, Ella 7th grade and in the back also on the far right, Aiden 12th grade.

Congratulations Art Classes!

Well I have to say all the middle and high school did amazing art! Thank you to all the parents, family members, and friends who lined up to get a look at the record *200 pieces!* of art at **Javalina Coffee House**. If you couldn't make it last Friday, don't fret, the show will be up until **Tuesday, December 18**. **Ms. Phillips**, our super hero of an art teacher, is proud of all the dedication and hard work students put into making this show such a success.

Career Day!

Friday, December 14 is Career Day on campus, local business people, representatives from the healthcare field, and artists will share career advice with the **Community Orientation class**. This will be a good way to get the students to start thinking more about what they want to do when they grow up. Games will be played outside to remind them they are not grown up yet. Also, **DO NOT FORGET YOUR BIG 5** (hat, water bottle, lunch, good shoes, journal and pencil).

It's coming to an end

YCC/Internships last day is Friday, December 14. Mr. Ramirez will put a placement sheet on his door, so you can choose your YCC crew for next semester. Also, students interested in community-based internships should speak with Mr. Ramirez to talk about a plan for next semester. YCC has finally received their t-shirts for crew days but they will be used next semester since it is already so late in this semester.

The kids who did that last week will see the Aldo Art Show at Javalina, visit the Light Studio on Broadway, and the [Silver City Art Guild](#). Please, have your BIG 5 with you no matter where you are going.

Winter Wonderland!

Student Council is holding A Winter Dance at **Mingo's Party Place on Highway 180 E. in Bayard Friday, December 14 from 6:45 PM to 9:45 PM.** Admission is \$2.00 for a single and \$3.00 for a pair- food is included. Permission slips will be handed on Wednesday.

Shh it's a secret

Our Middle School is going to be doing a secret Santa gift exchange- a student picks another students name and they get a gift for the person they drew. The price range is from a homemade gift to a store-bought gift that is **no more** than \$10 (parents, please don't let your kid go over this limit) Your child(ren) chose their secret Santa person on Thursday, December 6. The gifts will be exchanged after our feast **Wednesday, December 19.** Several students opted out for various reasons: your child might be one of them (yay, no last-minute run to Wal-Mart!)
