

Aldo Leopold Charter School - 6th Grade Supply List

Mark Cantrell

- One 3 Ring Binder
- One pack of Subject Dividers
- One pack of College Ruled Paper
- Two packs of pencils, one for the class and one for yourself! (Ticonderoga is worth it. Other brands often have off center and broken lead)
- One composition journal.
- Colored pencils, glue sticks and scissors.
- Pencil box and a hand held sharpener.
- One box of tissues. Extras are always appreciated!
- Washable, reusable water bottle. This should be washed at home once a week! It is also good to have a second so a clean one is always available. We have an old water cooler in the classroom, and water bottles are essential for Friday experiential education days.
- A hat and good walking shoes for Fridays
- A day pack for hiking.

Other optional Ideas:

- An old mug for tea in the afternoons.
- Herbal, non-caffeinated teas to share.
- Water shoes or sandals for river and creek excursions.
- Sunglasses and sunscreen
- work gloves
- We can never have too many pencils!

Please make sure you have medical records updated with our school nurse. This is a very important safety precaution for every day, but particularly for our experiential education days.
