

### ALHS Rules for Alpine Skiing/Snowboarding

Excess speed and loss of control are primary factors associated with snow skiing fatalities, according a study reported in *The Physician and Sports Medicine*.the study also shows that more than three-fourths of ski-related deaths occurred after collisions with stationary objects, such as trees and lift towers. Head injuries were cited most often as the cause of these fatalities.

1. Observe all ALCS Norms and rules.
2. Pass ski safety test with a 100%.
3. Participate in and sign full value contract.
4. Follow all ski area rules and posted signs. Keep off closed trails and out-of-bound areas.
5. Be prepared for extreme weather conditions.
6. Stay hydrated
7. Wear bright clothes, orange ribbons, and helmets in order to identify ALCS students.  
Failure to wear ribbon or helmet will result in ½ day off the slopes.
8. You are going with an intent to ski. (all exceptions have been pre-approved).
9. Members must commit to a day of lessons if they are a first time skier or snowboarder.
10. Students must ski at their level by only entering slopes designated by a symbol (black, blue, or green) indicating their ability level.
11. When skiing or snowboarding, give moving skier and snowboarders the right of way.  
You should be able to see them: they might not see you.
12. Skiers will always ski with a buddy and one member of each group will have a cellphone.
13. Team-leaders and staff will carry walkie-talkies or phones and check in with staff at lunch and 2:00. Fail to do so will result in grounding for the rest of the day.
14. Staff will carry medical information for all students during the trip.
15. Students will check in with their team-leaders twice a day designated by their leader. If they fail to do so, they will be grounded for the rest of the day.
16. Staff and/or student-leaders will review safety before we hit the slopes.
17. Team leaders will be in contact with each other via walkie-talkie or phones.
18. Students will carry ICE card.
19. Injured students will not be left alone. Flag down another skier to have skier to go for help.
20. A staff member will accompany injured students to the hospital if possible.

I, \_\_\_\_\_ promise to follow all ALCS Rules for Alpine Skiing/Snowboarding.
