

# Aldo Leopold High School

*Live. Learn. Stars and Birds.*

November 18, 2019

Parents of ALCS Juniors,

The Junior Class will be taking an educational trip to the Bosque Del Apache on December the 1<sup>st</sup> and 2<sup>nd</sup> to learn about the night sky and to observe the mass ascension of migratory birds. We will leave on Sunday, December 1<sup>st</sup> at 3:00pm. Please arrive at the school at 2:30pm on Sunday to pack the bus. We will get back during the school day on Monday, and students will be released from school at their normal time on Monday. The **cost of the trip is \$25/person** which includes breakfast, lunch, mileage, and campsite. As always, in an effort to make this trip affordable, the barebones cost of the trip is \$10 which covers the cost of food. If you qualify for free or reduced lunch, the cost of the trip can be as low as \$5. We will never keep a student home due to cost, so please contact us with questions.

Students will need to bring **\$7-\$12** for dinner Sunday night at Sparky's in Hatch, NM.

The Bosque del Apache gets cold this time of year, so please make sure your student has gear that can keep them warm in 10F+ degree temperatures. Please rent gear from the school or from WNMU if you are unsure about your gear.

If you have any questions, feel free to call Maddy at 575.313.2151.

Sincerely,

Maddy Alfero, Wayne Sherwood, and Avery Jepson-Browne (ALCS Faculty/Staff)

----- Please detach & return with payment
