B. Each local school board and governing body shall control the content of its policy, provided that the policy includes:

(1) the definitions as set forth in this rule;

(2) a statement prohibiting bullying;

(3) a statement prohibiting retaliation against persons who report or witness incidents of bullying;

(4) a list of consequences, exclusive of suspension and expulsion, that can result from an incident of bullying, and with consequences that are designed to:

(a) appropriately correct the bullying behavior;

(c) protect the target of the bullying;

(ii) the developmental age and/or cognitive level of the student who is bullying; and

(iii) historical problem behavior from the student who is bullying; and

(e) limit the restrictive nature of consequences for cyberbullying incidents, such that while correcting cyberbullying behavior and preventing further incidents of cyberbullying, a student with cyberbullying behavior is able to participate in or benefit from the services, activities, or privileges provided by the school to the greatest extent possible;

(5) a procedure for reporting bullying and for reporting retaliation for reporting an act of bullying, including:

(a) an allowance for reporting orally and in the preferred language of the person reporting;

(6) a procedure for prompt investigation of reports of violations of the bullying prevention policy and of complaints of bullying or retaliation, including:

(a) designation of a school or district administrator who has the responsibility to:

(ii) to ensure that investigations are completed promptly after the receipt of any report made under this rule;

(b) a procedure for notification of the parents of the student alleged to have committed an act of bullying and the parents of the student targeted by the alleged act; provided that if, in the administrator's professional opinion, notifying the parents would endanger the health or well-being of a student, the administrator may delay such notification as appropriate;

(c) a requirement that school employees who witness bullying or who receive reports of bullying notify the designated administrator within two calendar days of the employee witnessing or receiving a report of bullying;

(d) an appeal process for a student who is accused of bullying or who is the target of bullying and who is unsatisfied with the outcome of the initial investigation; and

(e) development of a student safety support plan for students who are targets of bullying that addresses safety measures the school will take to protect targeted students against further acts of bullying.

C. Each local school board and governing body shall include bullying prevention policies and procedures for reporting bullying in student handbooks using developmentally and culturally appropriate language. Policies shall be produced and disseminated in appropriate languages in any school district in which a substantial portion of the student population speaks a language other than English at home.
