Gratitudes and scavenger hunt when time allows by advisory. Seed bombs when time allows with Jamie and any available help. Students spend time with all 3 activities to reduce any loose time between food prep, and clean up.

Gratitude Journal: Kids write a gratitude, intention or goal, and something they are proud from the first half of the year. Encourage that they tell "what" and then explain "why". Pass out and have kids fill out gratitude circle chain links.

Gratitude circle: Kids share gratitude's written on chain links. Add to chain as we go around the circle.
