

**Aldo Leopold Charter School**  
*Live. Learn.*

Dear Parent/Guardian,

Every year our school uses funding from the federal government to help run our school. Without these federal funds, our educational programs would suffer. But, as always, using federal funds comes with strings attached. One such string is the requirement that we collect information about our students and their households. We do this by using the form normally used to determine eligibility for the federal Free and Reduced-price School Lunch Program – even though we don't have such a program at Aldo.

The information we collect with this form is provided to the state Public Education Department, but *only in aggregate – no personal information is shared.* (An audit of these records is a possibility, in which case it is shared with the auditor.). **Thank you very much!**

*(All students living in the same household and sharing the same income may be included in one form.)*

- 4) What is your total household gross income? \_\_\_\_\_  
*(If it is greater than \$75,647, feel free to write "over \$75,647" instead of the amount.)*
