

Aldo Leopold Charter School

Tuition Free - Public School
Presents Grades 6-12

2019-20 Enrollment Lottery

Aldo Leopold Charter School provides a challenging educational program featuring hands-on learning in the classroom and memorable experiences out-of-doors. Although we spend only four days a week in the classroom, we have earned a higher school grade than any other Grant County high school or middle school for the last several years. On our fifth day, our students are learning from the great outdoors or working with organizations in the community. We greatly value student leadership and participation, and by the time they graduate, our students are well prepared for either college or the working world.
