

Parent Volunteer Opportunities

All Parents are expected to volunteer in some capacity each semester.

- ★ Our greatest area of need is help with school lunch. We need volunteers to serve food and clean up afterwards. This typically lasts from 11:30-1:00 every school day, except Friday. At least three volunteers are needed each day.
- ★ Another opportunity exists to serve one or more of our many councils. They are: Governing Council (meets once a month, oversees the director and is fiscally responsible), Curriculum Committee (reviews school's curriculum and makes suggestions), Development Committee (public relations & pursues large funding sources), Facilities Committee (improving facilities), Finance Committee (develops and monitors school's budget), Policy Committee (reviews and drafts school policy), School Advisory Council (school strategic planning and parent/teacher relations- much like PTA), Student Health Advisory Council (general health, safety, and wellbeing of school community). Information and meeting times can be found on the website.
- ★ Throughout the year, the school hosts many events including: dances, showcases, art shows, drama performances, and more. Help is often needed setting up and cleaning up for these events.
- ★ The School Advisory Council celebrates Teacher Appreciation Week in May. Help is appreciated for this event.

Notice of opportunities will also be sent out on ParentSquare.
