

Project Brainstorm - December 4, 2020

Time	Activity	Materials
8:30-8:40	Check In & Attendance	
8:40 - 9:00	<p>Present passion project idea to students.</p> <p><i>Connection: In the video about gratitude that we watched last week, Louie Swartzberg said “Beauty..., I believe, is nature's tool for survival, because we will protect what we fall in love with.”</i></p> <p><i>What is it that you love/are grateful for that you want to protect?</i></p> <p><i>How can you share that with others/bring awareness so that the thing that you love is protected?</i></p>	<p>Describe past projects and ideas. Maybe present some teacher generated ideas? (Like Save the Whales!) Or... use links here!</p> <p>Roots and Shoots quiz suggestion if you have time. https://www.quiz-maker.com/QA1QXREX</p>
9:00 - 9:30	Students brainstorm ideas in breakout rooms.	Collect ideas on a Jamboard
9:30 - 9:45	Break	
9:45 - 10:00	Introduce idea collection slideshow to students.	Project Brainstorm Slideshow
10:00 - 10:45	<p>Students work on their own or in small groups on their idea slide and add it to the all MS slideshow. <i>(Break included)</i></p>	
10:45 - 11:00	<p>Idea Tour</p> <p>Students take time to view all of the ideas in the slideshow. They should jot down their top 3.</p>	
11:00 - 11:30	Students share their top 3 ideas.	
11:30	We made it!
