

January 7, 2019

Dear Parent of _____:

As a member of the ALCS Outdoor Club and as a student who has passed all of his/her classes in the Fall 2018 semester, your child is invited to attend the Sunrise Ski Park Resort Snow Trip scheduled for January 24 and 25, 2019. **The bus will leave the school at 4 am on Thursday the 24th.** The group will ski or snowboard for the day, spend the night at the Lodge at Sunrise, and spend the next day on the snow. **They are expected to return on Friday the 25th at 9 p.m.**

Lessons will be included and required for all first-time skiers and boarders and those who fail to demonstrate basic snow skills. Your student is responsible for informing me whether s/he is a first-time skier/boarder or not. All skiers, boarders, and chaperones are required to wear helmets, no matter how experienced they are. Rental equipment is also included.

The attached reply form must be completed and returned to school by Monday, January 21 along with their payment of \$155. This fee covers: equipment rental, lessons, lift tickets, hotel stay, and contribution to gas. Please note that any past due fees must also be paid for your student to be eligible to participate in this trip. Student council will not be providing subsidies for this optional trip.

All students will be members of a safety team led by a staff chaperone. Students will be required to carry their cell phones with the their chaperone leader's number programmed into their contacts. **Please bring your phone.**

Your student will need waterproof pants and a warm jacket, a warm hat and mittens/gloves, as well as wool or acrylic socks. Layers of socks are not advised , as they bunch up in boots and cause blisters as the day wears on. Sunglasses or snow goggles are strongly recommended. They will need to bring a swimsuit for the hot tub at the hotel. There will be three or four to a hotel room, so if your child is uncomfortable sharing a bed with another student, they should bring a compact sleeping bag and pad with their name visible on the outside. **We also recommend that students bring water, breakfast and snacks for Thursday and \$50-75 for Thursday lunch, dinner and Friday breakfast, lunch, and dinner.**

Congratulations on a job well done Fall semester!

Sincerely,

Catalina Claussen
