

Location	Time	Activity
Advisory Online Meets	8:30- 8:40	Students arrive Attendance
	8:40 - 9:00	<p style="text-align: center;"><u>Gallery Viewing</u></p> <p style="text-align: center;">Introduce the idea that we share our homes with all of nature. Chat discussion answering prompt about what wild things might share the spaces in and around our homes. (Note: the last two slides are short videos)</p>
“”	9:00 - 9:30	<p style="text-align: center;">Together Post Viewing</p> <p>Students choose an image from the gallery that triggers memories from their own life and home experiences. Students respond in their journals, Then share responses together to the following: <i>What did you observe and think about? What questions occur to you? What inferences can you make.?</i></p>
	9:30 - 9:45	BREAK
“”	9:45 - 10:10	<p style="text-align: center;">Give instructions for Creating <u>Scrapbook Journal</u> (Directions could be uploaded to <i>Material</i> In G. Classroom) Students prepare journals (Hopefully this doesn't really take 25 minutes. But, you know...)</p>
“”	10:10 - 10:30	<p style="text-align: center;"><u>Nature Sit</u> - Cameras off, Timers set if available</p> <p>Find a place outside to just sit quietly and observe. If you can't go outside, find a window to look out of. See how many wild things you find sharing the same area as you. Remember that insects and spiders are wild things too! Be ready to share your observations when you return to your group.</p>
“”	10:30 - 10:45	<p style="text-align: center;">Together</p> <p>Discuss what people experienced. Maybe chat discussion.</p>
The more time for this the better. Hopefully you get here early!!!	10:45 - 11:20	<p style="text-align: center;">Assign Independent Work: <u>Microtrek Treasure Hunt</u> (Can be uploaded as an assignment)</p>
“”	11:20 - 11:30	<p style="text-align: center;">Show and share journals Dismissal</p>

We Share Our Homes with Nature - September 11, 2020
