## Taking the lead

Instead of our students getting to stay home while parents come to a parent-teacher conference, our school has the students lead *their own* conferences. We do this to give students ownership of their education and a chance to tell their parents themselves what they are struggling with and what they are doing well on. The conferences are on **Friday, October 26**. You can call Cathie *after* Fall Break to schedule your Student-Led Conference with your child's teacher (Middle School) or advisor (High School). If she doesn't hear from you, you will hear from her.
