Committees need you!

Parents receive volunteer credit hours for serving on a committee. *(Parents/guardian need 2 volunteer credit hours per month, or 8-10 hours per year)*. We don't have a large budget for administrative needs, so instead we have a series of committees made up of staff, students, parents, and community members.

Practice coloring in the bubble

The PSAT is on **Wednesday, October 10** for those in **grades 10 and 11**. The test is **free for sophomores, and \$14 for juniors**. This exam is a quick peek at the SAT (Scholastic Aptitude Test) and, for juniors, the qualifying exam for National Merit Scholarships. Juniors wanting to take the test need to see Cheryl so they're able to get on the list. More information coming soon regarding time and place.

Orienting our newbies

Community Orientation is a required class for all new high school students at Aldo to adjust to the community where they will be doing internships in the future! **Friday October 5** the C.O. class will be processing economies, and trying foods found in the wild at The Volunteer Center. **Do not forget your BIG 5** (*hat, water bottle, lunch, good hiking shoes, journal and pencil*).

The Aggie Experience!

New Mexico State University in Las Cruces is hosting their "Aggie Experience" on October 20th and February 18th. This provides you with the opportunity to tour the campus, to learn about the departments, to find out about admission and financial aid, and to apply for admission and scholarships! Register at **aggie-experience.nmsu.edu** today!

High School Backpacking

The one at the top, featuring Shrek's donkey, is from the 9th and 12th grade trip. The one on the bottom, is from the 10th and 11th grade trip, which happened last week. I hope they had fun. If they didn't...I know why...It's because they couldn't call their mommies and daddies and tell them they love them. Now, sit back and relax (let those blisters on your foot heal, because *somebody* forgot backup socks). You can rest at ease knowing that it'll be a full 365 days before you do it again. Now, go show off your campfire cooking skills! We know you want to!

Democracy in action

This past Thursday, the first **Middle School Student Council** meeting of the year was amazing, and exciting things are going to awake and grow into beautiful things. The first meeting was nerve racking and surprisingly not many people were afraid to speak up. The meeting was mainly focused on Aldo Leopold hats and jackets/sweatshirt. The treasurer was focusing on raising money for the clothing.

Let's get crafty!

This Friday the Middle School will be going to the Print Fiesta. We will be listening to two print artists at the El Sol Theater and watching a political poster print show. The 8th grade will learn to make their own print, then they will teach the 6th & 7th graders how to make their own print. These will be on display at Javelina Coffeehouse and the Seedboat gallery during the Print Fiesta on Saturday. Additionally, the MS will be taking a tour of Power and Light Press. All of this will be downtown, and we will be walking. **NEVER FORGET THE BIG 5: 2 water bottles or more, healthy snacks and lunch, journal and pencil, wide brimmed hat, and appropriate shoes.**
